

Product Obsolescence Notice – Last Time Buy

Customer Notice #2005-002
August 5, 2005

Dear Valued Customer,

This letter is sent to advise you that Northrop Grumman Velocium Products will discontinue manufacturing selected products from our Standard Products catalog line – the products are included on Attachment 2005-002.1. Our intent is to support these products for a limited time in order to allow for future planning by our customers.

Please assess your product needs and place a Last Time Buy order no later than October 31, 2005. Orders for these products may not be accepted after this date. Orders received prior to the **early order deadline of October 1, 2005** may be eligible for a discount from our Standard Price List.

The conditions of this last time buy offer are as follows:

- All purchase orders are non-cancelable and non-returnable, and are subject to acceptance by Northrop Grumman
- Standard minimum order requirements apply
- A higher minimum order level may be required for any part requiring a new wafer lot start
- Orders received prior to October 1, 2005 may be eligible for a discount (*mention Customer Notice 2005-002*)
- **Date for last order acceptance: October 31, 2005**
- **Date for last shipments: January 31, 2006, all orders must be scheduled with ship dates no later than this date.**

Velocium Products appreciates and values its business relationship with you and we look forward to your continued interest in our products. We apologize for any inconvenience this announcement may cause and remain eager to meet your future product requirements.

To best serve you, all inquiries and requests should be directed through the normal sales channels or the Product Marketing Managers mentioned below.
